Office of the Food Controller and
Director of Civil Supplies in Mysore,

Bangalore, 11th January 1920.

From

K. Matthan, Esq., B.A.,

Food Controller & Director

of Civil Supplies in Mysore.,

To

R. Ranga Rao, Esq., B.A., B.L.,

Registrar of Co-operative Societies in Mysore.

Sir,

I have the honour to forward herewith for your information two copies of Government Proceedings No. G.15611-24/P.P.G-19-194 dated 9th January 1920, regarding the continuance of the food control operations. It will be noticed that the Government desire that the agency of co-operative societies should be made use of as far as possible both for the import and for the sale of rice.

The import of rice from the delta districts by an association of co-operative societies in the Bangalore City was eminently successful and I should strongly urge that arrangements may be kindly made for organising imports both from Bengal and Burma through co-operative societies. If any imports are hereafter allowed from the Madras Presidency co-operative societies may take up that business also. For the January imports no co-operative societies came forward and licenses have been issued to certain merchants.

Regarding the distribution of the imported rice I am very strongly in favour of abolishing taluk depots as far as possible and organising retail sales through the agency of co-operative societies only. Satisfactory arrangements for organising sales have to be immediately made. If you will let me know the requirements of co-operative societies in the matter of Bengal rice and Burma rice now being imported under control through merchants,

I shall make necessary arrangements with the importers. It is believed that most of the societies will be able to pay cash on taking over their requirements. If any society is unable to do so, you will have to arrange credit for it. The entrusting of retail sales of the rice imported under control to the co-operative societies involves the responsibility on the part of the societies to sell as freely as stocks permit to non-members as well as to members. Any discrimination in favour of members can only be made subject to your previous approval and may be communicated to me.

You are aware that there have been certain irregularities in the matter of distribution of rice supplied to some of the co-operative societies. There have been a few cases of office bearers disposing of stocks at their own price without bringing the same to the account of the society. While the number of such cases is exceedingly small when the amount of business transacted is taken into consideration still it is necessary that there should be efficient supervision over the disposal of rice purchased by the societies. I shall be obliged by your intimating to me the arrangements proposed in this direction.

I have the honour to be,

Sir,

Your most obedient servant,

Sd/- K. Matthan,

Food Controller & Director of Civil Supplies in Mysore.

FROM

K. MATTHAN ESQ., B.A.,
Food Controller and Director of Civil Supplies in Mysore.

TO

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of Mysore

Sir,

With reference to your letter No. G. 19688/P.P. dated 26-2-1920 in the matter of organizing imports and retail sales through Co-operative Societies, I have the honor to submit enclosed, copy of letter No. 10571 dated 15-1-1920 received from the Registrar of Co-operative Societies in reply to my communication to him on the subject and to state that since the 9th of January last (the date of Government Proceedings No. G.15611-24/P.P.6-19-194) the Co-operative Union in the Bangalore City has imported 100 tons of Delta rice on behalf of all the Co-operative Societies in the Bangalore City and three other Co-operative Societies have arranged to import 80 tons of Madras rice out of February and March allotment. I cannot say that Co-operative Societies are coming forward very readily to procure the import of rice. Recommendations on behalf of Co-operative Societies in several parts of the State for Delta and Burma rice made by the Registrar from time to time have been complied with to the extent of about 1700 pallas of Burma rice and 200 pallas of Delta rice since the above date. since

since the above date.

I have the honor to be,

Sir,

Your most obedient servant,

Macrae

rood Controller and Director.

K.G.P.

Letter No. 10571 C.S. dated 15th January 1920 from the Registrar of Co-operative Societies in Mysore to the Food Controller and Director of Civil Supplies in Mysore.

I have the honor to acknowledge the receipt of your letter No. 9095 dated 11th January 1920 regarding the continuance of Food Control operations until further orders.

2. I have issued a circular to all Co-operative Societies in regard to the importation and distribution of rice and a copy of it is herein enclosed for your information. The association of Co-operative Societies in the Bangalore City which managed the importation of rice successfully last year has also been requested to make similar arrangements now.

3. In regard to arrangements for an efficient supervision over the disposal of rice purchased by the societies, I regret that the staff at my disposal is very limited and it is not possible for me to depute a special staff for this purpose in the several districts A Co-operative Inspector has however been placed in charge of the s supervision of the work of the societies dealing in rice. Considering that cases of irregularities hitherto brought to notice are very few in proportion to the amount of business transacted, think that the work done by the co-operative Societies in this direction may be considered to be satisfactory and I have issued instructions to the Committee Members of the societies undertaking the work to take particular care to see that no irregularities occur.

FROM

K. MATTHAN ESQ., B.A.,
Food Controller and Director of Civil Supplies in Mysore.

296.

TO

C.S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Govt. of Mysore.

Sir,

With reference to your letter No. G.21781/P.P.6-19-283 dated the 20th instant, I have the honor to state that I consulted the Registrar of Co-operative Societies in Mysore with regard to the staff necessary for supervising the disposa of imported rice by Co-operative Societies and both for us are of the opinion that four inspectors are required for this purpose and that they should work under the orders of the Registrar. Since only the societies in Bangalore, Kolar, Tumku and Chitaldrug Districts have till now come forward for sellin rice it is proposed to post one of those inspectors for the Bangalore District, one for the Kolar District, one for the Tumkur and Chitaldrug Districts and keep the remaining one at Bangalore to attend to urgent and important cases. The Registrar is willing to spare one inspector out of the existin staff for this duty. Under the circumstance, I request you will kindly move Government to sanction three co-operative inspectors on a pay of Rs. 50/- per mensem each in addition to the ordinary inspectorate for supervising the distribution of rice by Co-operative societies and place them under the
